Lord Caitanya told the devotees to chant Hare Krishna. People were chanting in every home.

The devotees became scared but Lord Caitanya became angry. He said everyone chant loudly together in the streets.

What will the Kazi do?

The Muslims didn't like the chanting so they complained to the Kazi. The Kazi went to one house and broke the mrdanga. He said stop this chanting. If you don't stop I will take away your houses and turn you into Muslims.

Lord Caitanya spoke to the Kazi. The Kazi promised never to stop the sankirtan again.

The devotees started chanting and making angry noises. They all went to the Kazi's house.

The Kazi was scared. The Kazi was hiding in his house.
